THE EVOLUTION OF AGE VERIFICATION

PAST, PRESENT, AND FUTURE

November 29, 2022

[11am Pacific | 12pm Mountain | 8am Hawaii]

Is Your Business Ready? Technology and state laws for age-restricted products are changing rapidly. This includes digital identity tokens, electronic driver's licenses, quantity purchase limitations, and new legal requirements. Nevada has passed a new law mandating electronic age verification as of January.

Are your systems and people ready for what's coming in the evolving landscape of age verification?

Attend this informative webinar and find out how you can prepare your company for these changes.

The session will be presented by Ron Tobb, founder of Minor Decliner and an expert and industry leader in age-verification technology.

We will discuss the age verification solutions and what the requirements are.

ALL states are taking steps to increase age verification learn what you can do to ensure you are compliant and legal for all of your age-restricted product sales.
